Imagine IF puts **AI, energy, and bitcoin in one room**. Keynotes, firesides, and real conversations with the people building at the frontier. Presented by Bitcoin Park and AI Freedom Lab. Every sponsor lands on the big thank-you board. Top two tiers also get a callout on a separate featured board -- illuminated, like this year's. **Board size and placement: TBD for Rod** Who is in the room: entrepreneurs, capital allocators, policy makers, and developers, coming together.
